Dear Parents and Carers

Re: Year 6 Bikeability Training Course – w/c 16th May 2022

Year 6 will have the opportunity to participate in the Bikeability training course in May. However, from September 2021, this is no longer a free service. The cost is £20.00 per child. We can confirm that the school will pay for any child that wishes to take part in Bikeability week. However, you will need to provide your child with a roadworthy bike and a cycle helmet. Without these your child will not be allowed to take part.

Children who want to take part must have a reasonable level of bicycle control skills:-

- Be able to start and stop at will.
- Look all around including behind.
- Be able to cycle one handed.

Please sign and return the form at the bottom of this page if you would like your child to take part so that a space can be secured for your child on the course. **All forms to be returned by Friday, 1st April 2022**, at the latest.

If you do not return the signed permission slip your child will not be able to take part.

Yours sincerely

Mr C Parry
Year 6 Teacher
